NOTICE TO ALL JOB APPLICANTS/EMPLOYEES

DRUG SCREENING REQUIREMENT

Simmons Equipment Company has a vital interest in maintaining a safe, healthful and efficient work environment. Involvement with drugs adversely affects job performance and workplace safety. Employees are expected to be at work in a physical and mental condition that enables them to properly and efficiently perform the functions of their job. The manufacture, possession, use or sale of an illegal drug in the workplace also poses unacceptable risks for safe, healthful and efficient operations, as does working under the influence of drugs or alcohol.

Simmons Equipment Company maintains pre-employment and post-employment screening practices designed to identify individuals who use illegal drugs or who use legal drugs with the potential for impaired or unsafe job performance. **All applicants for employment are required to submit to screening procedures to determine the presence of drugs. In addition, all employees are subject to and may be required to submit to random screening procedures to determine the presence of drugs and/or alcohol.** Applicants who currently use illegal drugs will be denied employment and employees who are found using illegal drugs or abusing legal drugs will be disciplined up to and including immediate discharge.

Where use of a legal, mood-altering drug is detected, job applicants or employees may be required to offer proof that the drug has been prescribed by a physician and is being properly used. If such proof is not provided, employment will be denied, or a current employee will be disciplined up to and including immediate discharge. The continued use of a legal prescription drug will be evaluated with respect to the applicants or employee's ability to perform the essential functions of his or her job without safety risk or job impairment.

The applicants/employees written consent to submit to a drug test is required as a condition of employment. Refusal to submit to such test shall result in denial of employment or immediate discharge.

Test results will be kept confidential. The results will be made available to applicants and employees who are tested. Any challenge of such test results must be made within five (5) calendar days after notification of test results and any expense incurred in this regard will be the responsibility of the applicant or employee.

DRUG SCREENING RELEASE

I have received a copy of and have reviewed the document “**A Notice to All Job Applicants/Employees - Drug Screening Requirement**”. In accordance with the provisions of this document, I voluntarily consent to tests for the current use of drugs and/or alcohol and release Simmons Equipment Company and the examining doctors and/or other authorized personnel from all liability for any damages whatsoever, arising from or connected in any way with such tests.

I hereby authorize the doctor, hospital, clinic, laboratory, or institution to furnish to Simmons Equipment Company, or its representative, the results of such tests and release Simmons Equipment Company and all such doctors, hospitals, clinics and institutions from all liability for any damages whatsoever in furnishing such results and information.

I understand that any challenge I may make of these test results must be made within five (5) calendar days after I am notified of the test results. I also understand that any expense incurred in challenging a positive test will be my responsibility.
